

# Toddlers Class

We are thrilled to offer a toddler class and are honored that you've chosen our school to nurture your child's early learning journey. For many of our families, this will be their child's first experience in a learning environment away from home.

Our teachers will conduct evaluations at the beginning, middle, and end of the year to assess your child's development. Parent-teacher conferences will be available following each assessment.

Key focuses of the class include:

- Teaching children how to interact with others
- Assisting children in transitioning to sleeping on nap mats
- Encouraging the use of words to express their needs and wants

Daily circle time introduces:

- Colors
- Shapes
- Numbers
- Vocabulary building

We focus on one letter, color, shape, and number each for a four-week period.

The Bible is an integral part of our program. Each month, we will teach Bible stories and songs to convey God's word, emphasizing that God loves them.
